The Barnabas Connection for Young Adults– is a program designed for Barnabas adults to offer friendship and encouragement to young adults (ages 18-24 yr.) as they leave high school and venture into the workforce, school, military service or stay at home. How does it work?

-Sign up by Aug. 27 on the Connection Card

-Young adults and Barnabas adults fill out a simple questionnaire;

-Young adults and Barnabas adults are matched

-The Barnabas adults will contact their match and send cards, notes, social media communication and possibly small gifts to brighten their day

Why Call this The Barnabas Connection? Barnabas was the name given to a Levite named Joseph. He deliberately connected with others and gave the assistance and encouragement on his travels.

Prayer Chain

We are pleased to announce that Marsha Young will assume the duties of the Prayer Chain Coordinator beginning August 28. Her email is mdyoung805@gmail.com.

WHY COLLECT LICE KITS? Reduce the length of student absenteeism due to head lice from 4-7 days to just a couple of days;

- Assist parents who can't afford the shampoo or have difficulty getting to the store.
 - Reduce the need for parents to stay home from work to care for and treat a child diagnosed with head lice; and
 - Reduce the burden on school nurses by providing them with the needed kits.
- Place donations toward the purchase of lice kits in the offering plate. Please indicate that the donation is for the kits. Make checks out to FCSUMC with "lice Kits" in the memo line.

Item of the Month: Mission Central sends cleaning buckets to people who have the overwhelming job of cleaning up after floods and hurricanes. Dish soap (16-28 oz.) is needed for these buckets
